

Installation of Cointopay Payment Gateway

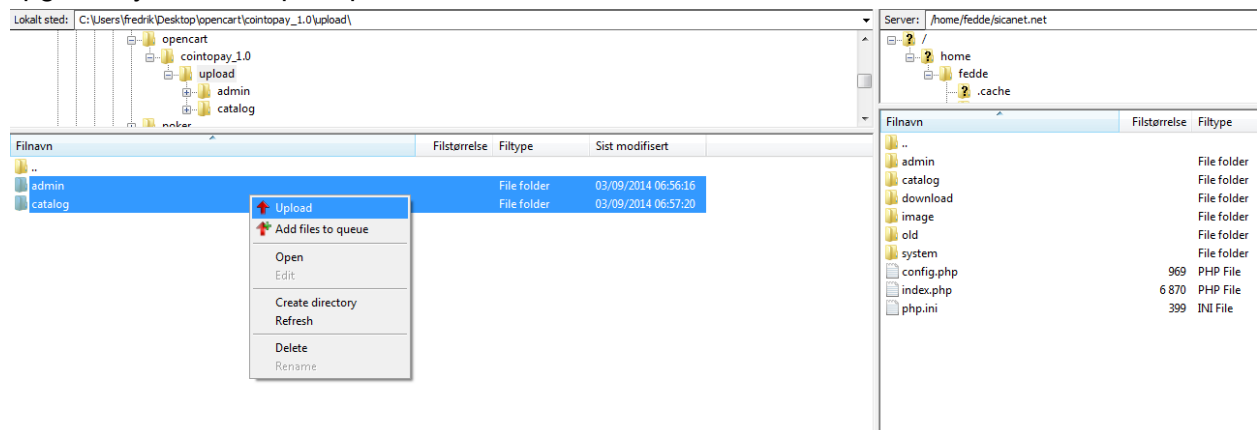

Thank you for purchasing this product from **Sicanet**. We have worked hard and close with **Cointopay** to bring you this payment gateway.

We have tested it on version **1.5.6 -> 1.5.6.4**

Extract your downloaded zip file to a temporary folder:

Use your favorite ftp program to upload the contents inside the upload folder. If you are doing a upgrade, you will be prompted to overwrite files:

Open up your Opencart admin interface and navigate to **Extensions > Payments**
In the list, you will find a new payment gateway called “Cointopay International BV”:
